

Welcome to our Home

Welcome to Ceol-na-Mara, home of Sally and Les, where you can enjoy your stay in a friendly, relaxed atmosphere in comfortable surroundings. Accommodation consists of one family / double room (private facilities, not en-suite), and one standard twin room. There is also a lounge with TV.

A full and hearty Scottish Breakfast awaits you in the morning, which will set you up for a busy day seeing the island's many and varied sights. In addition evening meals and packed lunches are also available on request.

We are situated just four miles east of Stornoway (one mile from the airport at Melbost) on the Eye Peninsula (or "Point"), and with historic monuments and beaches on our doorstep we are ideally situated as a base for exploring the island.
